

TRAINING AND PLACEMENT CELL

Activities of Training & Placement Cell

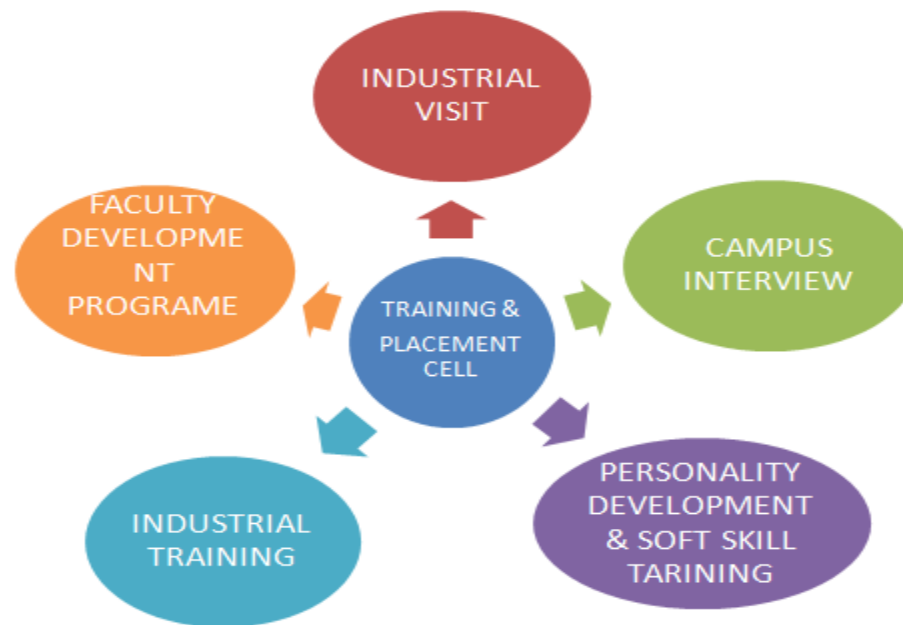

To arrange **industrial visits** for B. Pharm./M. Pharm. students

- To co-ordinate **industrial training**
- To arrange **campus interviews** for B. Pharm./M. Pharm. students
- To arrange and **conduct personality development program**

Objectives:

The T & P Cell aims to conduct and execute different activities for the students and staff with following objectives

- To bridge the gap between theory and practice
- To familiarize students with industrial practices
- To provide an overview of industrial scale equipments and instruments
- To provide a glimpse of materials handling and inventory control
- To familiarize and update the students with soft skills and practices required.
- To provide scope for over all personality development.
- To provide mock trials and guidance to students for short listing in specific area of recruitment.
- To provide industry perspective and market need.
