Anti-Ragging Policy

Ragging is an offence under MAHARASHTRA PROHIBITION OF RAGGING ACT, 1999

Which defines ragging as: Warning "Ragging is Crime"

RAGGING

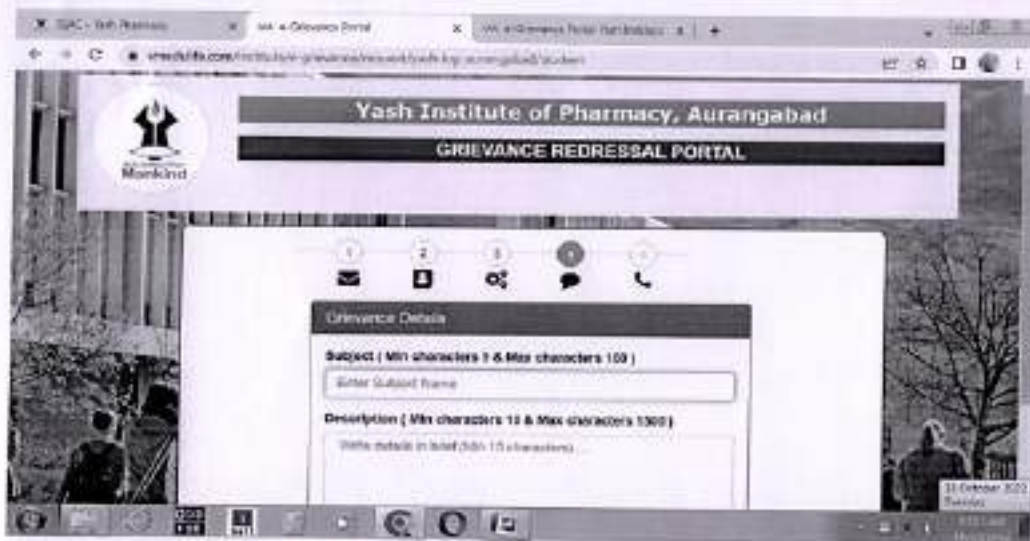

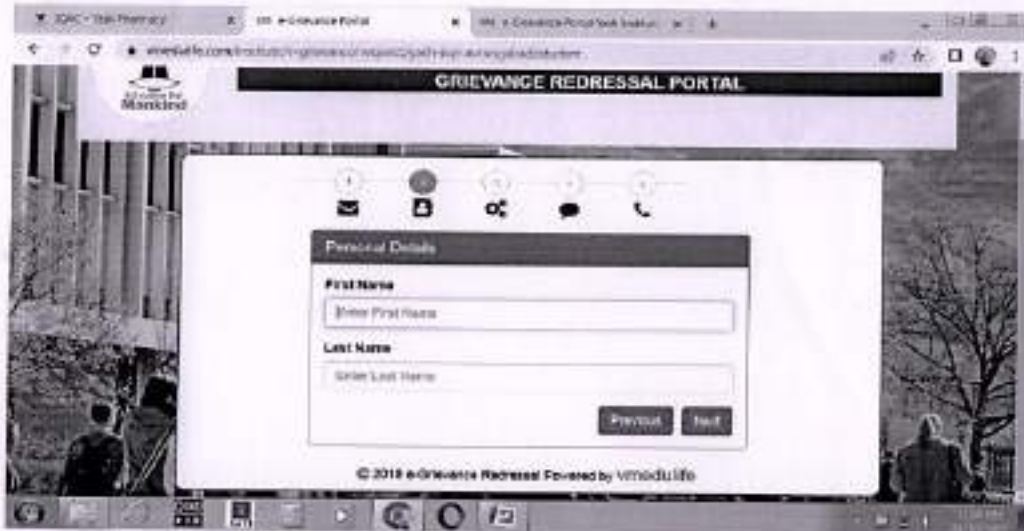

Causing, inducing, compelling or forcing a student, whether by way of practical joke or otherwise, to do any act which detracts from human dignity or violates his/her person or exposes him/her to ridicule from doing any lawful act. By intimidating, wrongfully restraining, wrongfully confining, or injuring him or by using criminal force on him/her or by holding out to him/her any threat of intimidation, wrongful confinement, injury or the use of criminal force.

Ragging in all its forms is totally banned in this institution including in its department, constituents units, all its premises (academic, residential, sports, cafeteria, etc) whether located within the campus or outside and in all means of transportation of students whether public or private. The institution shall take strict action including but not limited to criminal proceeding and /or cancellation of admission against those found guilty of dragging and /or of abetting ragging and the burden of proof shall hereby lie on the perpetrator of alleged ragging and not on the victim. An offence of Ragging may be charged either on a written complaint by the affected or on independent finding or the Anti Ragging Squad. The Institution is bound by the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions 2009.

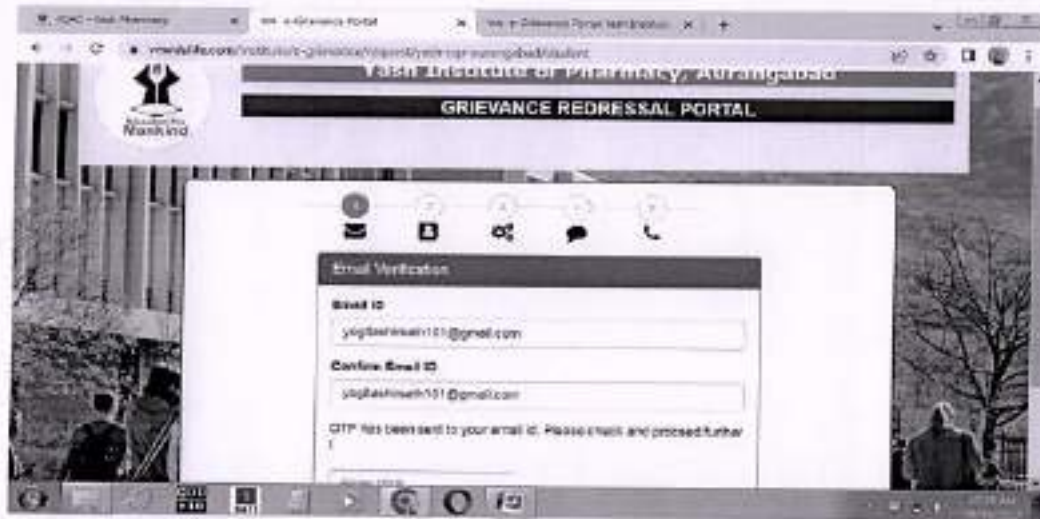

2. Roles and responsibilities of Anti-Ragging Committee:

1. Convene one Anti-Ragging committee meeting each year in November-December.
2. Provide a mechanism for reporting any incidences of ragging while keeping secrecy about the complainant's identity.
3. Issue a letter to the accused about the complaint along with photocopy of the complaint (complainant's details obscured)

On this occasion our unit invited Mr. Gajanan Saykhedkar for the awareness on Water Conservation. On this event Mr. Gajanan Saykhedkar delivered the seminar on Water Conservation. He said, we can live without food for three to five days a week, but we cannot stand for living without water for a day. Water is the basis of lives living on earth. But without a proper condition of water, there must be a bad effect on all types of lives as well. As it becoming worse because of the pollution and the climate change, water conservation is the perfect way to improve the quality of water as well as to balance the current and future water needs. To get through the water conservation, we should know the important, the goal and how we can conserve the water. By the ending of the event, all present motivated by the guidance.
