

## ACTION TAKEN REPORT

Sr.no	Suggestion	Action taken
1.	Provide canteen facility	The need for construction of canteen has been taken into consideration and The Management and The Principal will take necessary actions.
2.	Parking facility	Students can park their vehicles in left side of YIP building in college premises in an organized manner.
3.	Playground facility	Students can play in front the YIP building within the campus. Tennis net is made available for students to play tennis, volleyball. Students can play cricket or football in the playground.
4.	More practical and industrial knowledge	Academic in charge has brought this to the notice of all teaching staff to further enhance the teaching level to more practical based teaching and correlate theoretical teaching along with practical & industrial work.
5.	Mock interviews	Mock interviews are conducted every year for Final Year B. Pharm students during their 8 <sup>th</sup> Semester. We will make sure that this time itmainly focuses on how to face HR interviews and make them work on their body language and communication skills.
6.	Infrastructure development	Development on infrastructure feedback received was discussed and necessary actions will be taken
