## Redressal Grievance

Date :

Yash Institute of Pharmacy has a well formed Examination Cell which receives all the grievances related to Internal and External Exams and Assessment. It aspires to sort out the grievances within the stipulated time period.

**Objective:** To provide opportunities for redressal of certain grievances of students already enrolled in our institute.

1. To provide an opportunity for the students to express their grievance.
2. To set up a mechanism for speedy and expeditious resolution of the grievance.
3. To provide an appropriate counselling to the students in the process of resolving the grievance.

### Grievance Redressal Cell

**Mechanism to deal with internal/external examination related grievances is transparent, time- bound and efficient**

Examination Cell is responsible to deal with all the grievances related with the internal Assessment and external examinations.

All type of grievances related with evaluation process are taken up for consideration and redressed by the Examination Cell. The grievances of students are communicated through the mentors and the faculty members as well. It is taken up for initial consideration by the Class Mentors and then the Redressal Cell. After a thorough consideration of the matter, the redressal measures are taken. Proper documentation is done related with the Grievances. We look up to the grievances in the following manner-

### Internal Grievance Redressal

In internal cases, the grievances are usually related to the dissatisfaction in the evaluation in assessment marks so the the concerned faculty takes up essential measures. Grievance Raiser providing substantial records (attendance records and performance records).

Chhatrapati Sambhajinagar

Types of internal grievances are-

- Marked absent in the assignment
- Marks deduction due to not showing appropriate performance in any one of the assignments.

### External Grievance Redressal

At the university level, the college examination committee guides the students for necessary actions. The head of the examination committee coordinates with the other members regarding the smooth conduction of examination procedure, evaluation procedure and results and thereby necessary action is taken. The college also intimates the university regarding any mismanagement in the conduction of examination from the university side. The students can apply for revaluation or can appear for Back paper in case of any loophole or dissatisfaction.

Types of Grievances dealt by the examination committee are-

### Pre-Examination Grievances

- Not getting Hall Ticket for the examination
- Different subject mentioned on the admit card
- Name is not correctly written on the admit card
- Candidate's Photo missing
- Form Filling receipt not provided

### Post-Examination Grievances

- Result not declared
- Name not found in result list
- Absent marked in specific papers
- Absent marked in all papers

### Mechanism Redressal:

- The Complaints of the students taken through application.
- Once the students file the grievance, a formal investigation begins.
- The application contains the counter sign by the mentor/ guardian teacher.
- The institutional applications are addressed to the Principal and forwarded to Examination Section for further investigation.
- The University applications of students are forwarded by the institute to the University for further action.

The decision of Institute /University grievance committee is final.
