Activity No.2023-24-26

All students and faculty members are hereby informed that 25th of September is the annual World Pharmacists Day. 2023 year's theme is "Pharmacists strengthening health systems. We are organizing Organ Donation awareness program on 20/09/2023

The main purpose of celebration of this activity is to encourage students to think about Organ Donation, need and effects. To celebrate World Pharmacists Day.

Guest Speaker:

Mr. Subhash Gaware,
Organ Transplant Coordinator
Kamalnayan Bajaj Hospital,
Aurangabad.
Time: 11.00 a.m.
Venue: Seminar Hall

|----------------------------|---|
| Activity Register Number : | 2023-24-26 |
| Activity Title: | Guest Lecture on Organ Donation |
| Activity Date: | 20-09-2023 |
| Session: | Jan-June 2024 |
| Academic Year: | 2023-2024 |
| Type of activity: | Extracurricular |
| Portfolio Cell/ Committee: | NSS |
| Teacher I/c: | Dr. Rohit Chavhan |
| Student I/c: | Sahil Pithore |
| Objective: | To raise awareness about organ donation and educate students on its importance and process. |
| Target audience: | Students and Faculty Members |
| No. of participants: | Student: 63 Faculty: 04 |

2. Brief description of the activity conducted:

The guest lecture on organ donation was organized on the 20th of September 2023, under the aegis of the National Service Scheme (NSS) committee. The session, organized by NSS Coordinator Dr. R.B. Chavhan, aimed to demystify organ donation and underscore its critical importance in saving lives.

Mr. Sahil Pithore commenced the lecture with an introduction and welcome address to guest Mr. Subhash R. Gheware working as Medical Social Worker at Kmalnayan Bajaj Hospital Chhatrapati Sambhajanagar. Dr. S.S. Angadi Principal Dr. V.P. Patil, Dr. G.A. Vaishnav, Dr. A.S. Narute were present on the dais along with guest speaker. This inauguration was followed by felicitation of resource person with sapling as a token of love and appreciation.

Mr. Subhash started his session with introduction to organ donation, outlining its significance in modern healthcare. He detailed how organ donation works, the types of organs that can be donated, and the eligibility criteria for donors. Emphasis was placed on the fact that a single organ donor can save up to eight lives, highlighting the profound impact of this altruistic act.

To provide a comprehensive understanding, Mr. Gheware included real-life case studies of individuals whose lives were transformed by organ transplants. These poignant stories illustrated the dire need for more donors and demonstrated the real-world benefits of organ donation. He also presented statistical data showing the current state of organ donation in India and globally, drawing attention to the gap between the number of patients waiting for transplants and the available donors.

ACTIVITY REPORT

CMFACTF002/V02/W.e.f.: 09October2023

A significant portion of the lecture focused on dispelling common myths and misconceptions about organ donation.

As a medical Social Worker Mr. Subhash addressed concerns such as the fear of medical neglect for registered donors and the belief that certain religions prohibit organ donation. By providing factual information and citing examples from various religious texts, he reassured the audience and encouraged them to consider becoming donors.

The interactive nature of the session was enhanced through a Q&A segment, where students and faculty members posed questions and shared their thoughts. Mr. Subhash Gheware answered queries ranging from the technicalities of the donation process to the emotional aspects faced by donor families and recipients. This interactive dialogue fostered a deeper understanding and addressed personal apprehensions about organ donation.

The session included an informational video from the Indian Society of Organ Transplantation, which illustrated the process of organ harvesting and transplantation. This visual aid helped participants grasp the medical procedures involved and the stringent ethical guidelines followed to ensure fair and just practices in organ donation.

Dr. S.S. Angadi concluded the session and delivered presidential address by confirming that, NSS Volunteers of the institute were distribute informational pamphlets, containing detailed guidelines on how to register as an organ donor, the legal implications, and the support available for donor families. These pamphlets served as a take-home resource for attendees to further explore the subject and discuss it with their families.

3. Impact of the activity (Outcomes for students and/or staff):

The guest lecture on organ donation had a profound and multifaceted impact on both students and faculty members.

Increased Awareness: The primary outcome was a significant increase in awareness regarding organ donation. Participants gained a thorough understanding of the organ donation process, its importance, and the life-saving potential it holds. This newfound knowledge helped dispel long-standing myths and reduced the stigma associated with organ donation.

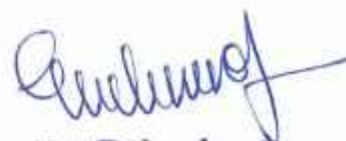

Encouraged Participation: The session successfully encouraged several students and faculty members to consider registering as organ donors. The inspirational stories and statistical data presented during the lecture motivated attendees to contemplate their role in this life-saving practice. By the end of the session, many participants expressed their willingness to pledge as organ donors, marking a positive shift in attitude towards organ donation.

YASH INSTITUTE OF PHARMACY, AURANGABAD ACTIVITY REPORT

CMFACTF002/V02/W.e.f.: 09October2023

Educational Impact: For students, particularly those pursuing healthcare-related studies, the lecture provided invaluable educational content that can be integrated into their academic and professional pursuits. Understanding the intricacies of organ donation and transplantation adds a significant dimension to their medical knowledge and ethical perspective.

Community Engagement: The activity also fostered a sense of community engagement and social responsibility. By learning about the urgent need for organ donors and the life-changing impact of donations, students and faculty members were encouraged to take an active role in promoting organ donation within their communities.

Long-term Benefits: In the long term, the heightened awareness and increased number of registered organ donors from this session can contribute to a larger pool of available organs, thereby potentially reducing the waiting times for transplants and saving more lives. The lecture's impact is expected to ripple outwards as participants share their knowledge and experiences with others, further spreading awareness about the importance of organ donation.

In conclusion, the guest lecture on organ donation was a resounding success, achieving its objectives of raising awareness, encouraging participation, and providing valuable educational insights. The positive feedback from participants underscored the necessity and effectiveness of such initiatives in fostering a culture of organ donation and altruism.

2. Brief description of the activity conducted:

The Door-to-door awareness on Organ Donation and Pamphlet Distribution were organized by the NSS committee on 26th September 2023. The program aimed to educate the local community about the importance of organ donation, dispel common misconceptions, and encourage individuals to consider becoming organ donors. The program began with an address by Dr. Rohit Chavhan who highlighted the critical need for organ donation and the transformative impact it can have on patients' lives. Following the opening remarks, NSS volunteers distributed pamphlets containing essential information about organ donation, including how to register as a donor, the types of organs that can be donated, and the legal safeguards involved. Volunteers engaged with community members at key locations, including local markets, residential areas, and near public transit points. They answered questions, addressed concerns, and clarified misconceptions about the organ donation process. Slogans like "Donate Life, Be an Organ Donor" were displayed on banners and placards to promote the cause. The pamphlets and one-on-one interactions with volunteers raised significant awareness about organ donation among the local community members, providing them with clear and factual information. The event fostered a positive interaction between Yash Institute of Pharmacy and the residents of South City, Waluj, strengthening the institution's commitment to social causes. The Door to door awareness on Organ Donation and Pamphlet Distribution at South City, Waluj, was a successful initiative by the NSS Unit of Yash Institute of Pharmacy. Through this program, volunteers were able to reach numerous community members, spreading knowledge and encouraging people to consider organ donation as

a way to give back to society. The event concluded with positive feedback from both community members and participants, marking it as a valuable and impactful experience.

3. Impact of the activity:

Increased Awareness:

Door-to-door awareness campaigns bring direct interaction with individuals, allowing organizers to explain the importance of organ donation, address myths, and clarify doubts. This personalized approach ensures better understanding compared to mass communication.

Community Engagement:

Engaging with people in their homes fosters trust and encourages open discussions, making them more receptive to the idea of organ donation. It also inspires families to talk about this topic collectively.

Dispelling Misconceptions:

Many people have misconceptions or fears about organ donation. Door-to-door interactions provide an opportunity to correct these myths and promote a positive mindset.

Encouraging Registrations:

By explaining the process and benefits of organ donation, this activity motivates individuals to pledge as donors. Pamphlets provide a tangible takeaway with registration details and contact information, ensuring follow-up action.

Wide Reach:

Door-to-door campaigns ensure that even those without access to social media or other communication channels receive information, creating a more inclusive impact.

Creating Ripple Effects:

Awareness at the household level often leads to individuals sharing the information with extended families, friends, and neighbors, amplifying the impact beyond the initial campaign.

Promoting a Culture of Giving:

The campaign helps normalize discussions about organ donation, fostering a culture of compassion and social responsibility within the community.

Tracking Progress:

The activity provides real-time feedback about public perceptions, allowing organizers to refine their approach and tailor future awareness initiatives effectively.

“ अवयव दान श्रेष्ठ दान ”
“ जिंदगी मिलेगी दोबारा ”

भारतात दरवर्षी पाच लाख लोकांचा अवयव व मिळाल्यांत मृत्यु होतो. यातले दोन लाख रुग्ण यकृताच्या आजारांने दगावतात तर पन्नास हजार रुग्ण हृदयाच्या आजारांने सुमारे दीड लाख जणांना किडनीची गरज भासते परंतु एकूण पाच हजार जणांनाच किडनी मिळते.

“ मृत्युनंतर तुमचे अवयव स्वर्गात सोबत घेऊन जाऊ नका, सुट्टी निर्माता देवाला माहित आहे, अवयवांची खरी गरज पृथ्वीवर आहे ”

एक त्रेन डेड ब्लफी अवयवदानाबद्दल ८ ते १० गरजू लोकांना जिवनदान देऊ शकतो.

फार्मासिस्ट स्वास्थ्य प्रणालियों को मजबूत कर रहे हैं -

अंगदान महादान

भारतव्याप्त्यातील अवयवदानास प्रोत्साहन देणे, जनजागृती करणे, अवयवदातारोपण कार्यक्रमाचे समन्वय, निरीक्षण, पर्यवेक्षण करणे, प्रत्येक अवयवांसाठी संगणकीकृत प्रशिक्षण यादी तयार करणे, ती राखणे, शासकीय मार्गदर्शक तत्वानुसार गरजू रुग्णांना अवयवांचे वितरण करणे, व प्रत्यारोपणासाठी रुग्णालयाची नोंदणी करणे इत्यादी कार्ये विभागीय अवयव प्रत्यारोपण समन्वय केंद्र करते.

अवयव दान म्हणजे काय ?

अवयव दान हे सर्वश्रेष्ठ दान असून ज्याद्वारे मृत्युनंतर आत्मले अवयव दान करून अंतिम स्वरूची ज्यांचे अवयव निकामी झाले आशा अनेक रुग्णांचे प्राण वाचवू शकतो. ज्या रुग्णांचे अवयव कायम स्वरूची निकामी झाले आहेत. आशा अनेक रुग्णांसाठी अवयव दान हाच आशेषा विरुध्द आहे.

अवयव प्रत्यारोपण/प्रतिरोपण म्हणजे काय ?

मानवी अवयव प्रत्यारोपण म्हणजे आधुनिक वैद्यकीय शास्त्राची एक मोठी उपलब्धीच आहे. या उपचारात रुग्णांसाठी फेफिका, गुण मृत व्यक्तीचा अवयव अथवा अवयवाचा काही भाग शस्त्रक्रियेद्वारे विलग झालेला तो एखाद्या गरजू रुग्णांना रुग्णांसाठी प्रतिरोपित करतात. ज्यांचा एखादा अवयव कायमस्वरूची निकामी झालेला असेल त्या रुग्णांना ही प्रमाणित व उपलब्ध जैशी उपचार पध्दती आहे.

Dr. Pratik K. Chhatrapati

Dr. Pratik K. Chhatrapati
Yash Institute of Pharmacy
Aurangabad, Maharashtra

“अवयव दान श्रेष्ठ दान”

आपण कोणत्या अवयवांचे दान करू शकतो ?

जिवंत व्यक्ती फक्त आपल्या जवळच्या नातेवाईकांसाठी अवयव दान करू शकतो. स्वयं दाखवणाऱ्या जवळच्या नातेवाईक म्हणूनच मुलगा मुलगी आई वडील भाऊ बहिण अथवा स्वती किंवा पत्नी आसवा लागतो.

या व्यतिरिक्त कोणताही रुग्णासाठी अवयवदान करण्यास असल्यास शासनाची परवानगी घ्यावी लागते.

शासन रुग्ण व दाता यामध्ये काही आर्थिक देणाने येण्या नसून फक्त भेष व स्नेह या नात्यानेच अवयव दान होत आहे याची खात्री झाल्यावरच परवानगी देते. जिवंत व्यक्तीच्या जीवनापायुर्वतीच व प्रकृतीवर कोणताही विपरीत परिणाम होणार नाही याची दक्षता घेऊनच जिवंत व्यक्ती अवयव दान करू शकतो. यामुळे जिवंत व्यक्ती फक्त काही मर्यादित अवयवांचेच म्हणजे मूत्रपिंड अथवा यकृतचा काही भाग दान करू शकतो.

मृत व्यक्ती जिची हृदयक्रिया बंद पडली आहे फक्त नेत्र त्वचा वा अरखी या अवयवांचे दान करू शकतो. मृत व्यक्तीत हृदयक्रिया बंद पडल्यामुळे दतर अवयवांना एक पुसटा बांधलेला असतो व हे अवयव प्रतिरोपणासाठी वाढ ठरतात. परंतु मृत व्यक्ती जिची हृदयक्रिया चालू आहे म्हणजे जिच्या मस्तिष्क स्तंभ मृत्यू झाला आहे अशी व्यक्ती वहुतेक प्रमुख अवयवांचे म्हणजे मूत्रपिंड, पुणपुत्रे, यकृत, त्सादुपिंड, हृदय, आलाडी, नेत्र, त्वचा, हृदयाची झडप आणि कानाचे रूम यांचे देखील दान करू शकतो.

मस्तिष्क स्तंभ मृत्यू म्हणजे काय ?

दैवीय शास्त्रानुसार एखाद्या व्यक्तीची चेतना व स्वातंत्र्यवास कायम स्वरुपी बंद झाल्यास त्याला मृत घोषित करता येते. चेतना व स्वातंत्र्यवास या दोन्ही बंद झाल्यास देहातील 'मस्तिष्क स्तंभ' या भागात अर्थात, अणुघातल अंकाचाला मार लागल्याने सैलून रक्तस्राव झाल्याने अथवा मेंदूच्या भावक्रियात्मक मस्तिष्क स्तंभात कायम स्वरुपी रूजा झाल्यास त्या व्यक्तीचा मस्तिष्क स्तंभ मृत्यू होऊ शकतो. एखाद्या व्यक्तीचे अतिदक्षता विभागात उपकरणांच्या साहाय्याने श्वास व हृदय कृत्रिमरित्या किंजशील ठेवले असत व काही टरायिक व प्रमाणित चाचण्यांच्या आधारे तर तिचा मस्तिष्क स्तंभ मृत्यू झाल्याने निश्चित झाले त्या व्यक्तीस मृत घोषित करता येते. अशा व्यक्तीचे हृदय जोरत ३६ तास ७२ तासांम्यंत कृत्रिमरित्या क्रियाशील ठेवता येते व त्याचा जालावधीत प्रमुख अंतर्गत अवयवांचे दान होऊ शकते.

या साठी जवळच्या नातेवाईकांची संमती आवश्यक असते.

असे अवयवदान फक्त शासनाने प्रतिरोपणासाठी मान्यता दिलेल्या रुग्णालयातील अतिदक्षता विभागात मस्तिष्क स्तंभ मृत्यू झाल्यासच होऊ शकते.

मस्तिष्क स्तंभ मृत्यूचे निदान कसे होते ?

शरकराचे मान्यता दिलेले चार डॉक्टर ऐकवितपणे मस्तिष्क स्तंभ मृत्यूच्या चाचण्याकरून एखाद्या रुग्णास दोन डेड अथवा मस्तिष्क स्तंभ मृतू असे घोषित करतात. या चार डॉक्टरांचा अवयव प्रतिरोपणाची काही संवेप नसतो. मस्तिष्क स्तंभ मृत्यू फक्त अवयव प्रतिरोपणासाठी आणि निव्वळ अवयव काढण्या करिता सरकारी मान्यता असलेल्या रुग्णालयांपर्यंत घोषित करता येतो. मस्तिष्क स्तंभ मृत्यूला आपल्या देशातच नाही तर जगात मान्यता आहे व मृत व्यक्तीच्या नातेवाईकांना मस्तिष्क स्तंभ मृत्यूचा दाखला देण्यात येतो.

अवयव दान करताच असाव्यास मृत्यू हा रुग्णातचच घेणे गरजेचे आहे का ?

हो. मस्तिष्क स्तंभ मृत्यू हा प्रतिरोपणासाठी मान्यता असलेल्या रुग्णालयातच घोषित करता येत असल्याने अशा रुग्णालयातील अतिदक्षता विभागातच मृत्यू झाल्यास अवयवांचे दान होऊ शकते. परंतु होऊ न शक्या यांचे दान मृत्युंतर साहा तासपटीत घरी मृत्यू झाला तरी होऊ शकते.

‘जिंदगी मिलेगी दोबारा’

मस्तिष्क स्तंभ मृत्यू घोषित करणे व अवयव दान कायदेशीर आहे का ?

हो. भारतामध्ये मानवी अवयव प्रतिरोपण कायदा १९९४ गुनार मस्तिष्क स्तंभ मृत्यू व अवयवदान या दोन्हीना मान्यता दिली आहे.

या कायद्याची विशेष वळीहे आहेत.

मस्तिष्क स्तंभ मृत्यूला मान्यता देणे जैलीकरून मृत्युंतरच अवयव दान होऊ शकते. रुग्णाचा उपचारसाठी मृत व्यक्तीचे अवयव काढणे सातत्ये व प्रतिरोपण करणे याच नियंत्रण ठेवणे. मानवी अवयवांच्या व्यापारात प्रतिबंध घालणे, कायद्याने अवयव विकणे व विकत घेणे व त्या साठी जाहिरात करणे किंवा अवयव मिळवून देण्यासाठी व्यापारी तत्त्वावर मर्यादीत करणे.

अवयव दानांतर मस्तिष्क स्तंभ मृतू व्यक्तीचे स्वीर त्याच्या नातेवाईकांना घेत दिले आहे का ?

हो. मस्तिष्क स्तंभ मृतू व्यक्तीचे अवयव काढल्यानंतर त्याचे शरीर सन्मानपूर्वक त्याच्या नातेवाईकांना अंशिमिथी याठी परत दिले जाते. अवयवदान व देहादान या दोन्हीमध्ये फरक आहे. देहादानमध्ये मृताचे शरीर दैवीय प्रशिक्षणासाठी दैवीय महविद्यालया मध्ये ठेवून देतले जाते. अवयव दानामधील सदर अवयव प्रत्यारोपणासाठी वापरले जातात.

दान केलेल्या अवयवांचे शिबराय काय होई ?

मृत्यू रुग्णाचे दान करू गट त्याच्या आजाराची सीधता हे किती दिवस अवयवांची प्रशिक्षण केलीच आहेच त्यांची दैवीय गरज या संदर्भातील प्रत्येक रुग्णात काही गुण दिले जातात. या सार मरतू रुग्णांची एक सामाईक प्रशिक्षण यादी केली जाते व वैद्यकीय गरजू रुग्णातच अवयव दिला जाते. रुग्णाचे आर्थिक स्थिती त्याची जगत व धर्म यांचा प्रशिक्षण यादीतील त्याचे स्थान ठरवितांना काही संबंध असतो. अवयवांचे शिबराय हे महाराष्ट्र शासनाने पाहून दिलेल्या नियमानुसार पारदर्शकपणे होते.

मस्तिष्क स्तंभ मृतू शस्त्राचार योजनेवाईकांना अवयव जोडणारा दिले आहेच हे काळू प्रकट आहे का ?

नाही. नातेवाईकांना अवयव शिबरायेच्या रुग्णाचे नाव व पत्ता यांमणे कायद्याच्या शिबरायांमणे आहे तसेच रुग्णाला देखील दाखवावे नाव पत्ता यांमिलताच जाता नाही.

अवयव दान केल्याचे मस्तिष्क स्तंभ मृतू दाखवणाऱ्या शरीरावर काही विचारात घेणे का ?

नाही. मस्तिष्क स्तंभ मृतू दाखवाय ऑपरेशन शिष्टाचमये घेऊन त्याचे अवयव काळीपूर्वका काढले जातात व शरीरावर विचारात घेत नाही. एखाद्या जिवंत व्यक्तीची श्वास किंवा जिवंतपणा काळजीपूर्वक केली जाते शिबराय काळजीपूर्वक रीतीने अवयव काढले जातात व जखम पुन्हा शिबरी असते. शरीरावर घाटावर अथवा घातीवर श्वासक्रिया केल्याचे टाक मान पाहतात.

अवयव दानास धर्मोची परवानगी आहे का ?

हो. भारतातील सर्व धर्मांची अवयवदानाला पाहिजा दिला जातो, व अवयवदान हे एक गुण्याचे काम मानले आहे.

अवयव दान केल्यानंतर मस्तिष्क स्तंभ मृतू व्यक्तीच्या नातेवाईकांना काी मोबदला दिला जातो का ?

नाही. अवयवदानासाठी मस्तिष्क स्तंभ मृतू व्यक्तीच्या नातेवाईकांना आर्थिक अथवा कोठल्याही स्वरुपाचा मोबदला दिला जात नाही. म्हणून अवयवदान हे शुद्ध व शैवदान ठरते.

| Activity Register Number: | 2023-24-106 |
| Affected Metric No.(s): | 3.4.3 |
| Activity Title: | Food and Cloth Distribution at Matoshri Old Age Home |
| Activity Date: | 27/09/2023 |
| Session: | July –December 2023 |
| Academic Year: | 2023-24 |
| Type of activity: | Extension Activity |
| Portfolio Cell/ Committee: | NSS CELL |
| Teacher I/c: | Dr.Rohit Chavhan |
| Student I/c: | Mr.Sahil Pithore |
| Objective: | To offer emotional support and companionship to the elderly residents. To raise awareness about the challenges faced by senior citizens in society. To encourage students and the community to engage in volunteerism and social responsibility. |
| Target audience: | 100 |
| No. of participants: | Student: 47 Faculty: 04 |

2. Brief description of the activity conducted:

As part of its community service initiatives, the NSS Unit organized a Food and Cloth Distribution at Matoshri Old Age Home. The event aimed to support the elderly residents of the home by providing them with nutritious meals and essential clothing items. This initiative was a step towards bringing comfort and joy to the elderly, who often face isolation and neglect. The event also aimed to raise awareness about the well-being of senior citizens in the community.

On 27th September 2023, NSS volunteers, along with Coordinator Dr. R.B. Chavhan, Dr. S.S. Angadi (Principal), Mrs. Dipali Kulkarni, and Dr. Vinod Udawant, actively participated in the program. The event began with an address by Dr. S.S. Angadi, who spoke to the students about the vital role of community service and highlighted the importance of empathy and compassion in making a meaningful impact on society..

Dr. Angadi personally interacted with the caretakers and residents of Matoshri Matoshri Old Age Home, expressing support and listening to their stories and needs. This heartfelt engagement provided comfort to the residents and strengthened the connection between the institution and the local community. After the initial remarks, food items such as rice, pulses, and non-perishable goods were distributed to the ashram, along with clothing for different seasons. Students, under

the guidance of faculty, participated in the distribution and interacted with the residents, enhancing the spirit of the event.

3. Impact of the activity (Outcomes for students and/or staff):

Students developed a deep sense of empathy by directly engaging with the elderly residents, listening to their stories, and understanding their challenges. This experience instilled compassion, fostering a commitment to supporting the elderly and vulnerable in society. The activity encouraged students to communicate respectfully and attentively with the elderly, improving their interpersonal skills and confidence in connecting with individuals from different backgrounds. The experience of contributing time and resources to the ashram helped students and staff understand the value of community service. This sense of responsibility encouraged participants to engage in future social initiatives. Working together to organize and execute the event enhanced students' teamwork and leadership abilities. The event taught participants how to work effectively in a group to achieve a common goal.

1. Brief details of the activity:

| | |
|----------------------------|--|
| Activity Register Number : | 2023-24-08 |
| Affected Metric No.(s): | 3.4.3 |
| Activity Title: | Regular Vaccination Drive in Association with Primary Health Centre Daulatabad |
| Activity Date: | 04/01/2024 |
| Session: | 10.00- 02.00 |
| Academic Year: | 2023-24 |
| Type of activity: | Extension Activity |
| Portfolio Cell/ Committee: | NSS CELL |
| Teacher I/c: | Dr.Rohit Chavhan |
| Student I/c: | Mr.Sahil Pithore |
| Objective: | To ensure the health and safety of local community children through the timely administration of vaccines. |
| Target audience: | Community, NSS Volunteer |
| No. of participants: | Student: 40 Faculty: 04 |

2. Brief description of the activity conducted:

As part of its extension activities, the National Service Scheme (NSS) Unit, collaborated with the Primary Health Care (PHC) Centre of Daulatabad to conduct a regular vaccination drive for the local community.

The aim was to raise awareness about the importance of vaccination, provide essential immunizations to prevent infectious diseases, and contribute to the overall health and well-being of the population. This initiative was part of the NSS Unit's commitment to community service and public health promotion.

The regular Vaccination Drive was organized by the Primary Health Centre Daulatabad in collaboration with the NSS Unit. This initiative aimed at vaccinating children under five years of age while also educating the community about the significance of timely immunization. The drive took place from 10:00 AM to 2:00 PM on the first Monday of every month in the Meeting Hall of the institute. Health professionals from the Primary Health Centre, Daulatabad Chhatrapati Sambhajinagar, administered various mandatory immunization vaccines under the Mission Indradhanush initiative. The event was inaugurated by Dr. S.S. Angadi, the Principal, who delivered an inspiring speech emphasizing the critical need for polio eradication and urged parents to ensure their children receive timely vaccinations.

NSS volunteers supported the effort by guiding families to the vaccination area, distributing informative pamphlets, and sharing essential details about immunization. This drive provided a

meaningful opportunity for students and staff to engage in community service, aligning with the nationwide mission for a polio-free India. The event concluded successfully with positive feedback from parents, volunteers, and community members, highlighting the impact of the initiative.

3. Impact of the activity (Outcomes for students and/or staff):

The Vaccination Drive had a substantial impact on the community, fostering growth and learning across multiple areas. Community members gained a deeper understanding of the importance of immunization and the vital role it plays in eradicating diseases.

This knowledge encouraged a proactive approach to health advocacy.

NSS volunteers developed essential skills, including communication, organization, and public engagement, through direct interactions with parents and caregivers.

They learned to convey health information in a relatable way, boosting their confidence and empathy. The drive fostered a commitment to community service among students and staff, enhancing their understanding of the collective role in supporting public health goals.

By engaging with families and young children, students developed a greater sense of empathy and compassion, especially in understanding the needs and challenges faced by community members regarding healthcare.

Subject: Request for Hall Allocation for Regular Vaccination Drive

Respected Sir,

With reference to the above subject, I, on behalf of the Primary Health Centre (PHC), Daulatabad, humbly request your kind cooperation in providing a hall in your campus for the regular conduction of vaccination drives in the South City area.

As part of the National Vaccination Program (Indradahnush), we propose to conduct vaccination sessions on the first Monday of every month from 9:00 a.m. to 2:00 p.m. on a permanent basis. Allocating a hall during this time will greatly facilitate the smooth and effective implementation of the program, ensuring the community benefits optimally.

We would be sincerely grateful for your support in this noble endeavor by granting us the requested space. Your contribution will play a significant role in promoting public health and welfare.

Thank you in anticipation of your kind cooperation.

Yours faithfully,

| Target audience: | NSS Volunteer, Community, Students, Staff |
| No. of participants: | Student: 43 Faculty: 14 community members :24 |

2. Brief description of the activity conducted:

The main objective of the event was to assist local residents in updating their Aadhar card information, specifically focusing on demographic data updates and biometric scans. This initiative was organized as part of the extension activities of the NSS (National Service Scheme) unit, aiming to contribute to the local community by facilitating smooth access to essential government services.

The event was inaugurated by the NSS program officer Dr. R.B.Chavhan, along with dignitaries from Tisgaon Grampanchayat Shri Nagesh Kuthare and Bajaj Nagar Post Office staff Mr. Gavhane Suresh . The team expressed the importance of keeping Aadhar cards updated, as it is crucial for availing various government schemes and services.

The event was conducted in a well-equipped hall at Yash Institute of Pharmacy, with proper seating arrangements, registration counters, and biometric stations. Volunteers from the NSS unit assisted in guiding the participants and ensuring that all steps were followed smoothly. Aadhar card holders were invited to the camp to update their demographic details (name, address, mobile number, etc.) and undergo biometric data collection (fingerprints and iris scan). The updates were processed through the official Aadhar enrollment system.

Demographic Data Update: Participants were assisted with updating their name, address, gender, and date of birth information on their Aadhar card.

ACTIVITY REPORT

CMF-ACT-F002/V02/W.e.f.: 09-October-2023

Biometric Scan: People were provided with biometric scanning services, including fingerprint and iris scanning to ensure their data was up-to-date in the Aadhar system.
Assistance and Guidance: Volunteers assisted residents in filling out forms, ensuring correct data submission, and troubleshooting any issues that arose during the process.

Tisgaon Grampanchayat: The local village council played a key role in mobilizing the residents and informing them about the camp. They provided logistical support and helped in the registration process.

Bajajnagar Post Office: The post office provided technical support and facilitated the biometric scanning process. They also offered guidance to ensure the smooth flow of the registration process. Over 24 residents from the surrounding society attended the camp. The event saw a positive response from the community, with people actively participating and showing interest in getting their Aadhar information updated.

Community Awareness: Many residents were unaware of the importance of keeping their Aadhar card data updated. The event helped raise awareness about the role of Aadhar in accessing government services, financial aid, and subsidies.

Successful Participation: The camp was successful in updating Aadhar details for many local residents. The biometric scanning process went smoothly, ensuring that the data was accurate and up-to-date.

Positive Feedback: Participants expressed gratitude for the hassle-free services provided at the camp. The easy accessibility of the camp location and the helpfulness of the volunteers were appreciated by all.

Feedback of society member about the activity:

The Aadhar Card Update and Biometric Scan Update Camp organized by the NSS Unit, in collaboration with Tisgaon Grampanchayat and Bajajnagar Post Office, was a resounding success. It not only provided a valuable service to the local community but also fostered a sense of social responsibility and engagement among the NSS volunteers. The event played an essential role in bridging the gap between the citizens and government services, ensuring that the residents of the area are well-equipped to access various government schemes and services that require Aadhar authentication.

3. Impact of the activity (Outcomes for students and/or staff):

Community Awareness: Many residents were unaware of the importance of keeping their Aadhar card data updated. The event helped raise awareness about the role of Aadhar in accessing government services, financial aid, and subsidies.

| Target audience: | Society Members, Students, NSS volunteer |
| No. of participants: | Student: 54 Faculty: 04 |

2. Brief description of the activity conducted:

Healthcare Awareness and Student Interaction activity was organized at Z.P. School Golwadi. The event aimed to educate school students about various aspects of healthcare, including personal hygiene, common diseases and preventive measures. NSS volunteer actively engaged with the students of Z.P. School Golwadi through interactive sessions, presentations, and demonstrations.

The event started with welcome address by NSS secretary Mr. SahilPithore .On behalf of the NSS team, he extended gratitude to the school principal and teachers for allowing NSS Unit to conduct this program.

The activity commenced with an introductory session where the objectives and agenda were outlined. Subsequently, various topics related to healthcare were discussed, such as the importance of handwashing, oral hygiene practices, vaccination, and basic first aid. Practical demonstrations were conducted to illustrate proper handwashing techniques and dental care practices. Additionally, informative posters and visual aids were used to enhance understanding and retention among the students.

NSS volunteers conducted interactive sessions covering the following topics:

ACTIVITY REPORT

CMF-ACT-F002/V02/W.e.f.: 09-October-2023

Mr. TusharKshirasagar explained Importance of handwashing, dental care, and grooming habits.

Nutritional requirements for children, avoiding junk food, were explained by SwapnilVedpathak The benefits of local produce. Vaccination, safe drinking water, and seasonal disease awareness like dengue, malaria, and flu was explained by Ms. RutujaSahajrao Third Year student. Volunteers demonstrated correct handwashing techniques and simple first-aid measures to handle minor injuries and common ailments in a group of 5-6 students.

Q&A Session:Students enthusiastically participated, asking questions related to health issues they face, and volunteers provided practical solutions.The event provided an opportunity for students to interact with school students on a personal level, addressing their queries, dispelling myths, and serving as role models for healthy living practices. The exchange of ideas and experiences between the two groups fostered mutual understanding and strengthened community bonds.

The healthcare awareness program at Z.P. School, Golwadi, was a significant step toward educating young minds about health and hygiene. This initiative not only benefitted the students but also enhanced the social responsibility of the NSS volunteers, aligning with the vision of community service.

Vote of thanks was delivered by Mr. SwapnilVedpathak he thanked all teaching non teaching staff of institute for their constant support, NSS Incharge Dr. RohitChavhanSirfor his encouragement. He also thanked all fellow volunteers for their dedication and hard work in organizing this initiative.

3. Impact of the activity (Outcomes for students and/or staff):

Healthcare Awareness and Student Interaction activity yielded several positive outcomes for both the participating students and staff:

Enhanced Healthcare Knowledge: The activity contributed to raising awareness among school students regarding essential healthcare practices, empowering them to adopt healthier lifestyles and make informed decisions about their well-being.

Improved Communication Skills: Pharmacy students honed their communication and interpersonal skills through their interactions with school students, effectively conveying complex health-related information in an accessible manner.

Community Engagement: The event facilitated meaningful engagement between Yash Institute of Pharmacy and the local community, fostering a sense of social responsibility among the students and promoting collaborative efforts towards community development.

|----------------------------|---|
| Activity Register Number: | 2023-24-87 |
| Activity Title: | Scientific awareness among Z.P.School students |
| Activity Date: | 19/03/24 |
| Session: | Jan-June 2024 |
| Academic Year: | 2023-2024 |
| Type of activity: | Extension Activity |
| Portfolio Cell/ Committee: | NSS |
| Teacher I/c: | Dr. Rohit Chavhan |
| Student I/c: | Mr. Sahil Pithore |
| Objective: | The objective of this activity is to inaugurate the NSS camp and conduct sessions aimed at enhancing scientific awareness among the students. |
| Target audience: | Community , Z.P.School students and staff, NSS Volunteers |
| No. of participants: | Student: 58 Faculty: 04 |

2. Brief description of the activity conducted:

Scientific Awareness Among Students event was organized by the NSS unit at Z.P.School in association of ICICI First . The activity commenced with the formal inauguration of the NSS camp day two activity, marking the beginning of a series of activities aimed at community service and personal development.

Mr. Sahil Pithore and Krishna Chopde Inaugrated the camp and Day 2 Activity by introducing and welcoming all the guest of honour. The inauguration ceremony included speeches by dignitaries, including the Principal Shri G. S. Deokar, Dr. G.A.Vaishnav Professor Yash Institute, invited guests and Social Activist Ms. Lokhande who is lawyer by profession and Mr. Rajeev Shahane ICICI First Member , highlighting the significance of the NSS camp and its objectives.

Following the inauguration, the focus shifted to conducting sessions aimed at enhancing scientific awareness among the students. NSS volunteer Mr. Tushar Kshirsagar delivered information about purpose of NSS camp theme of NSS "Not Me but You" Presentations on various scientific Models, including recent advancements in pharmaceutical research, healthcare technologies, and emerging trends in the field was given by NSS volunteer.

Students were encouraged to actively participate in discussions, ask questions, and engage in experiential learning activities, thereby fostering a spirit of inquiry and curiosity. Throughout the day, students had the opportunity to interact with experts, clarify doubts, and gain valuable insights into the fascinating world of science and technology. The sessions were designed to stimulate

intellectual curiosity, promote critical thinking skills, and inspire students to pursue careers in scientific fields.

3. Impact of the activity (Outcomes for students and/or staff):

Scientific Awareness Among Z.P.Students activity had several notable outcomes for both the students and NSS Volunteers

The sessions on scientific topics provided students with valuable knowledge and insights, broadening their understanding of various scientific concepts and applications.

The interaction with expert speakers and engaging sessions served as a source of motivation and inspiration for students, encouraging them to explore opportunities in scientific research and innovation.

Hands-on workshops and interactive sessions offered students a dynamic and immersive learning experience, enabling them to apply theoretical knowledge to real-world scenarios and develop practical skills.

Community Engagement: The inauguration of the NSS camp fostered a sense of community and camaraderie among the participants, instilling a spirit of teamwork and collaboration towards common goals.

Personal Development: The event provided students with opportunities for personal growth and self-discovery, fostering qualities such as leadership, communication, and teamwork through active participation and engagement.

Activity No.2023-24-88

Subject: Village and School Cleaning Activities

This is to inform all NSS volunteers, students, and teaching staff that we will be organizing cleaning activities in the village and at Z.P. School. These activities aim to promote cleanliness and enhance the overall environment of our community. Participants will be assigned to various locations around the village to pick up litter, clear debris, and beautify public spaces. NSS volunteers will also focus on cleaning and maintaining the surroundings of Z.P. School to provide a healthier learning environment for students.

ACTIVITY REPORT

CMFACTF002/V02/W.e.f.: 09October2023

1. Brief details of the activity:

| | |
|----------------------------|---|
| Activity Register Number: | 2023-24-88 |
| Activity Title: | Cleanliness Drive at Golwadi Village |
| Activity Date: | 20/03/2024 |
| Session: | Jan-June 2024 |
| Academic Year: | 2023-2024 |
| Type of activity: | Extension Activity |
| Portfolio Cell/ Committee: | NSS |
| Teacher I/c: | Dr. Rohit Chavhan |
| Student I/c: | Mr. Sahil Pithore |
| Objective: | To contribute in cleanliness sanitation of the village, school premises. To promote environmental awareness and community participation. |
| Target audience: | Community Members, NSS Volunteers |
| No. of participants: | Student: 67 Faculty: 04 |

2. Brief description of the activity conducted:

The Cleanliness Drive at Golwadi Village and School Cleaning Activities were organized by the NSS unit with the aim of fostering a sense of responsibility towards environmental conservation and promoting cleanliness in the community. The activity encompassed cleaning and beautification efforts both within the village and on the premises of a local school.

The event commenced with an orientation session by NSS Coordinator Dr. Rohit Chavhan who explained the objectives and significance of the cleaning activities were explained to the participants. Teams were formed comprising both students and faculty members, each assigned specific areas within the village and school for cleaning.

The cleaning activities included removal of litter and debris, sweeping of roads and pathways, clearing of drainage channels, and beautification of public spaces through planting of trees and flowering plants. Participants were provided with necessary cleaning equipment such as brooms, gloves, and garbage bags to facilitate the tasks.

In addition to physical cleaning, awareness sessions on waste management, recycling, and sustainable practices were conducted to educate participants about the importance of environmental conservation and waste reduction.

The cleaning activities were carried out with enthusiasm and dedication, with NSS volunteer working together in a spirit of cooperation and teamwork to achieve the desired objectives in association with community members. The event concluded with a debriefing session where

participants reflected on their experiences and discussed ways to sustain the momentum of cleanliness initiatives in the community.

3. Impact of the activity (Outcomes for students and/or staff):

The Village and School Cleaning Activities had several positive outcomes for both the participants and the community:

The cleaning activities contributed to the improvement of hygiene and sanitation standards within the village and school premises, creating a cleaner and healthier environment for residents and students.

Through the awareness sessions conducted during the activity, participants gained a better understanding of environmental issues and the importance of adopting sustainable practices to protect the environment.

The participation of students and faculty members in the cleaning activities fostered a sense of community pride and ownership, encouraging greater involvement in community development initiatives.

The activity provided participants with hands-on experience in community service and environmental stewardship, empowering them to take proactive measures towards creating positive change in their surroundings.

The event laid the foundation for continued efforts towards maintaining cleanliness and promoting environmental sustainability in the village and school, with participants expressing their commitment to ongoing initiatives in the future.

| Activity Register Number : | 2023-24-93 |
| Activity Title: | Voters' Awareness Rally |
| Activity Date: | 21/03/2024 |
| Session: | Jan-June 2024 |
| Academic Year: | 2023-2024 |
| Type of activity: | Extension Activity |
| Portfolio Cell/ Committee: | NSS |
| Teacher I/c: | Dr. Rohit Chavhan |
| Student I/c: | Sahil Pithore |
| Objective: | To raise awareness about the importance of voting. To encourage eligible voters in the community. To participate in the democratic process. |
| Target audience: | Student, faculty member, community member |
| No. of participants: | Student: 60 Faculty: 04 |

2. Brief description of the activity conducted:

The Voters Awareness Rally was organized by the NSS committee on 21st March 2024. The rally aimed to educate the community about the significance of voting and to motivate eligible voters to actively participate in elections.

The rally began with an introductory speech by the principal of Z.P.school Golwadi, who emphasized the role of voting in strengthening democracy and the power each vote holds in shaping the future of the nation. Sahil Pithore, the student in-charge, coordinated the event logistics, ensuring all participants were briefed on the route and objectives of the rally.

Participants gathered at the starting point in front of Yash Institute of Pharmacy, where they were provided with banners, placards, and informational pamphlets about voter registration and the importance of voting. The banners and placards carried slogans such as "Your Vote, Your Voice," "Every Vote Counts," and "Be a Responsible Citizen - Vote!"

The rally proceeded through the main streets of Chhatrapati Sambhajinagar, making stops at key locations like the local market, residential areas, and the town hall. At each stop, volunteers distributed pamphlets and engaged with community members, explaining the voter registration process and the impact of voting on local and national governance.

ACTIVITY REPORT

CMF-ACT-F002/V01/W.e.f.: 01-January-2022

Key activities during the rally included:

- **Street Plays:** Performances by students highlighting the significance of voting and the common excuses people give for not voting, aiming to debunk myths and encourage participation.
- **Public Speeches:** Short speeches by faculty members and student leaders at various points along the rally route, reinforcing the importance of civic responsibility and voter engagement.
- **Interactive Sessions:** Volunteers set up information booths where community members could check their voter registration status and get assistance with the registration process if needed.

The rally concluded back at the starting point, where participants gathered for a closing ceremony. The Sarpanch Mrs. Manisha Babasaheb Dhondare of the Golwadi village thanked all participants and emphasized the importance of carrying forward the message of voter awareness in their daily lives.

3. Impact of the activity (Outcomes for students and/or staff):

The Voters Day Awareness Rally had several positive outcomes for the participants and the broader community:

- **Increased Voter Awareness:** The rally successfully raised awareness about the importance of voting among community members, highlighting the role of each vote in the democratic process.
- **Community Engagement:** The activity fostered a sense of community engagement and civic responsibility, encouraging more people to take an active role in the governance of their country.
- **Enhanced Knowledge:** Participants, especially students, gained a deeper understanding of the electoral process and the significance of voter participation.
- **Motivation to Vote:** The rally inspired eligible voters to register and participate in upcoming elections, potentially increasing voter turnout in the community.
- **Educational Experience:** For the NSS volunteers, the rally provided practical experience in organizing and conducting a large-scale awareness campaign, enhancing their leadership and communication skills.

| Target audience: | Student, faculty member, community member |
| No. of participants: | Student: 58 Faculty: 07 |

2. Brief description of the activity conducted:

The Health Checkup Camp was organized by the NSS committee in collaboration with Jijamata Hospital, South City. The camp aimed to provide thorough health assessments for the students and staff of Z.P. School, fostering health awareness and encouraging preventive care.

The event began with an introduction by Dr. Rohit Chavhan, highlighting the importance of regular health checkups and the objectives of the camp. Medical professionals from Jijamata Hospital, along with NSS volunteers, set up various stations for different health screenings and examinations.

The checkup camp included the following services:

- **General Health Assessment:** Basic health screenings such as measurement of height, weight, and BMI was done by NSS volunteers.
- **Vital Signs Monitoring:** Checking blood pressure, pulse rate, and temperature.
- **Blood Tests:** Testing for common health indicators like glucose levels, hemoglobin, and cholesterol.
- **Vision and Hearing Tests:** Assessments to identify any vision or hearing impairments by Dr. Mahesh Pathak.
- **Dental Checkup:** Examination of oral health and hygiene.

- **Specialist Consultations:** Availability of pediatricians, general physicians, and other specialists for consultations and advice.

Educational pamphlets and materials on health and hygiene were distributed to participants. Additionally, interactive sessions on nutrition, personal hygiene, and disease prevention were conducted to enhance awareness and knowledge.

The camp concluded with a feedback session where participants could share their experiences and ask further questions. Health reports were provided to each participant, and those requiring further medical attention were given referrals to Jijamata Hospital for follow-up care.

3. Impact of the activity:

The Health Checkup Camp had several significant outcomes for the students, staff, and the organizing team:

- **Early Detection of Health Issues:** The comprehensive health screenings facilitated early detection of potential health problems, allowing for timely medical intervention and management.
- **Increased Health Awareness:** Participants gained valuable knowledge about their health status and the importance of regular health checkups, fostering a culture of health consciousness and preventive care.
- **Enhanced Healthcare Access:** The collaboration with Jijamata Hospital provided accessible healthcare services to students and staff who may have limited access to medical facilities.
- **Educational Impact:** The informational sessions and educational materials helped in spreading awareness about healthy lifestyle choices, nutrition, and hygiene practices.
- **Community Engagement:** The activity strengthened the bond between Yash Institute of Pharmacy, Z.P. School, and the local healthcare provider, promoting a collaborative approach to community health and wellbeing.
- **Skill Development:** For the NSS volunteers and organizing faculty, the camp provided an opportunity to develop organizational, communication, and healthcare-related skills through hands-on involvement in the event.

2. Brief description of the activity conducted:

The Blood Donation Camp was organized by the NSS committee in collaboration with Dattaji Bhale Blood Bank on 22nd March 2024. The event aimed to collect blood donations to help save lives and to educate participants about the importance of regular blood donation.

The blood donation camp started with a welcome note by Dr. Rohit Chavhan, and felicitation of members of Dattaji Bhale Blood Bank Mrs. Bhale Madam, and Mr. Deshmukh Sir by offering a book as a token of respect. Mr. Tushar Kshirsagar and Mr. Sahil Pithore hosted the event. Deshmukh Sir emphasized the significance of blood donation and the life-saving potential it holds in his speech. Staff members from Dattaji Bhale Blood Bank set up the donation area, equipped with all necessary medical supplies and equipment.

NSS volunteers were helped in registration of interested candidates, note down their weight, assist in measuring haemoglobin and assisted in filling the form of blood donation.

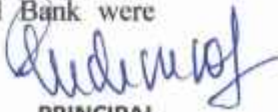

Participants, including students and faculty members, society members from Golwadi village and nearby residents were guided through the donation process.

The steps included: Throughout the day, educational materials on blood donation were distributed, and volunteers from the NSS committee and Dattaji Bhale Blood Bank were
