CLEAN AND GREEN CAMPUS POLICY

The Clean and Green Campus Policy aims to promote sustainability, environmental stewardship, and the creation of a healthy, clean, and green campus environment. It will reduce the institute's ecological footprint and engage students, faculty, and staff in activities that help enhance environmental consciousness. We implement the following measures:

- To conduct Green audit.
- To promote paperless communication through emails, Whatapps, as much as possible restrict the usage of paper.
- Use back-to-back printing and one side printed papers for rough work.
- To promote use of plant sapling for all events of the college to felicitate the dignitaries.
- Promote environment-friendly practices for decorations of events.
- To organize or involved in plantation programs frequently, with active participation of students so that they will understand the importance of environment and ill-effects of pollution.
- To develop and maintain medicinal plant garden.
