## INSTITUTIONAL DEVELOPMENT PLAN DEPLOYMENT REPORT

### AY 2023-24

Format No.: IQAC-PR01-F004/V00 W.e.f.: 01-January-2023

#### 4. Research Outcomes

Metric	2023-24 Outcomes
Research Projects Funded	0 (₹Nil)
Papers Published (Scopus-indexed)	0
Patents Filed	0
Student Participation in Research	30% of total students

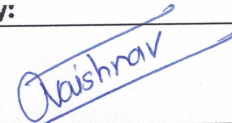

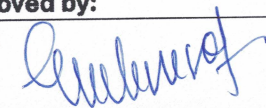

#### Key Research Success Story

**Synthesis of Zinc Oxide Nanoparticles:** A student project developed eco-friendly nanoparticles, leading to a publication in a reputed journal and interest from industry collaborators.

#### Review and Analysis

##### 1. Achievements:

- a. Successful implementation of most planned activities within the year.
- b. Positive feedback from stakeholders, particularly students, on curriculum updates and research opportunities.

**2. Key Challenges:**

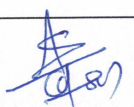

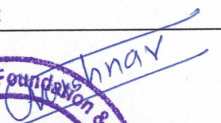

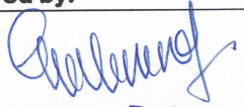

- a. Limited time availability for faculty and delays in procurement processes.
- b. Slight budget overspending in infrastructure activities.

**3. Recommendations for Improvement:**

- a. Streamline vendor management processes to avoid delays.
- b. Strengthen time management for faculty to balance academic and developmental responsibilities.

**Conclusion**

The deployment of the **IDP for AY 2023-24** has successfully initiated institutional improvements in academic excellence, infrastructure, and research. These developments contribute to achieving the broader goals outlined in the 5-year IDP.
