## **Feedback Committee Report 2024-25**

The 2024-25 report was prepared through the coordinated efforts of the feedback committee, aiming to gather and analyses feedback from various stakeholders, including alumni, current students, teachers, employers, and parents. This comprehensive process is crucial for the continuous development of the college, enhancing the growth of both teachers and students, and identifying areas for improvement. It also allows the institution to understand the challenges students face and their overall attitudes towards the college and its faculty.

### **Collection and Analysis of Feedback**

The feedback collection involved different surveys tailored to specific groups, each with a structured questionnaire to ensure thorough insights:

#### **1. Student Feedback:**

- The college ensured that students filled out the feedback forms freely and without hesitation, emphasizing honesty in their responses. Data collected from students were systematically tabulated and analysed using the Likert Scale through SPSS software, providing a reliable measure of satisfaction levels.
- The questionnaire for students focused on gathering their views about their teachers, teaching methodologies, punctuality, and motivation. It aimed to understand how well students perceived their instructors and their teaching approach.
- Feedback from students also covered their perspectives on the college's infrastructure, teaching quality, and curriculum, offering a holistic view of their academic and ambience.
- Feedbacks collected from students include:
  - A. Feedback on Curriculum
  - B. Feedback on college ambience and infrastructure
  - C. Feedback on Teachers
  - D. Feedback on college ambience and academic performance

#### **2. Alumni Feedback on college ambience and academic performance:**

- Input from alumni was gathered to gain their suggestions on how to further enhance the experience and skills of current YIP students. Their insights were valuable in identifying areas for improvement and ensuring that the college adapts to evolving industry demands.

#### **3. Employer Feedback on college ambience and academic performance:**

- To stay aligned with industry needs and ensure that YIP students are well-prepared for professional challenges, feedback was collected from employers. The focus was on assessing whether students possessed adequate technical knowledge, communication skills, and adaptability for the industrial sector.
- This feedback plays a critical role in keeping the curriculum competitive and relevant, ensuring that graduates meet the expectations of potential employers and are well-prepared for the workforce.

#### **4. Parent Feedback on college ambience and academic performance:**

- Parents provided insights into the impact YIP has had on their children's development and offered suggestions for further improvement. Their perspective helped the college understand the progress students make during their time at YIP, as well as areas where additional support might be needed.

#### **5. Faculty Feedback on college ambience and academic performance:**

- Teachers also participated in the feedback process, providing insights into the adequacy of time and resources for curriculum development, the balance between theoretical and practical components, and the relevance of the syllabus to program outcomes.
- Their feedback highlighted the importance of incorporating input from field experts in syllabus design, focusing on technical and teaching skills, and including elements that promote ethical values and flexible, up-to-date curriculum options.

- Given their central role in shaping and implementing the curriculum, the insights from teachers were particularly influential in guiding future improvements and making necessary adjustments to academic programs.

### **Impact and Application of Feedback**

The feedback process has proven to be instrumental in the ongoing development of YIP. It not only helps in refining teaching practices and curriculum design but also ensures that the college remains responsive to the needs of students, parents, employers, and alumni. By actively involving all stakeholders, YIP can create a learning environment that is both supportive and challenging, fostering growth, and ensuring that students are well-prepared for their careers and future endeavours. The feedback-driven approach ensures that YIP continues to evolve, maintaining a high standard of education and a strong connection with industry expectations and societal needs.

*Figure 1: Feedback on teaching and curriculum*

According to the graph obtained from feedback on curriculum it was observed that few students want arrangement of more field visits and study tours. While some students demanded enhanced lab facilities. Students also appreciated the quality of teaching by the faculty members.

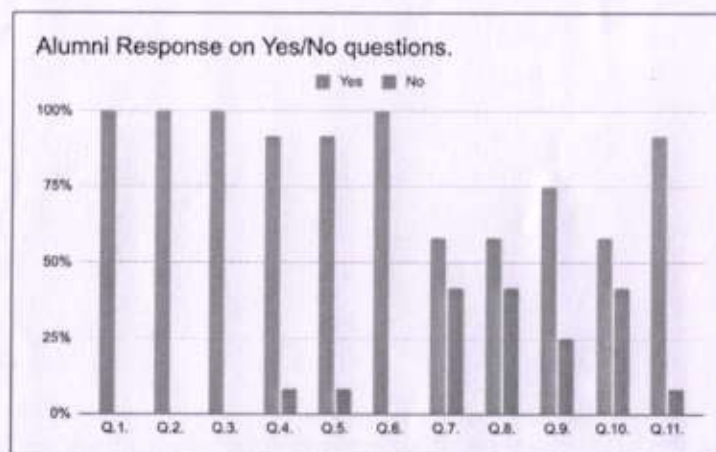

## **Feedback from Alumni on academic performance and ambience of the institute**

### **Questionnaire for Alumni:**

1. Do you feel proud to be associated with YIP as Alumni?
2. Are you willing to contribute to the development of the college?
3. How do you rate the activities organized by the college for your overall development?
4. Will you recommend your relatives / friends to enroll at YIP?
5. How will you rate library facility of the college?
6. How will you rate physical infrastructure of the college?
7. Do you feel that adequate knowledge was gained during your course of study?
8. Is knowledge gained at YIP relevant to your present job?
9. Were the faculty member cooperative for academic support and overall development
10. How do you rate student – teacher relationship at YIP as a whole?
11. How do you rate the initiatives taken by the college to bridge the gap between industry and academia?
12. Has the T&P Cell provided ample On Campus placement opportunities?
13. Has the T&P Cell provided sufficient Off Campus placement opportunities?
14. Have you availed career counseling and guidance for higher studies from T&P cell?
15. If you are invited to deliver a guest lecture / a special talk / a motivational speech for your juniors, will you be interested?
16. Have you made any significant achievement as a student of YIP? If yes, please share details
17. Do you have any suggestions regarding curriculum?

**Feedback on Alumni:** Most alumni have shown a strong interest in supporting the college's growth. They stay connected in various ways, such as attending alumni events, visiting the college website, and making campus visits, with some even volunteering for activities. Their key suggestions include organizing more industrial visits, providing better exposure to competitive exams, and offering experience with clinical trials. Furthermore, the alumni have expressed their appreciation for the college's accomplishments
