

YASH INSTITUTE OF PHARMACY, CHHATRAPATI SAMBHAJINAGAR

ACTIVITY REPORT

CMF-ACT-F002/V03/W.e.f.: 26-March-2025

1. Brief details of the activity:

Activity Register Number (To be issued from IQAC Cell):	2025-26-28
Affected Metric No.(s):	5.1.2 / 5.1.3
Activity Title:	Skill Development Program (Skill India Life Sciences Initiative)
Activity Date:	06/04/2026
Session:	July-Dec 2026
Academic Year:	2025-2026
Type of activity:	Skill Development / Extension Activity
Portfolio Cell/ Committee:	OBC,SC ST , minority cell
Teacher I/c:	Ms. Priti. S. Lohare
Objective:	To create awareness about career opportunities in Life Sciences, Pharma and Healthcare sectors and to enhance employability skills
Target audience:	B. Pharmacy and M. pharmacy
No. of participants:	Student: 155 Faculty: 20

2. Brief description of the activity conducted:

Objective

To create widespread awareness regarding diverse career opportunities within the Life Sciences, Pharmaceutical, and Healthcare sectors , while simultaneously enhancing practical employability skills to meet contemporary industry standards.

Core Focus of the Skill India Life Sciences Initiative

- **Government Alignment:** Operates under the Government of India's National Skill Development initiative to deliver an industry-focused, government-recognized curriculum.
- **Bridging the Gap:** Directly aims to bridge the critical gap existing between academic education and real-world industry requirements.
- **Inclusivity:** Structured to provide job-oriented training suitable for students, freshers, and working professionals alike.

Inaugural Session & Felicitation

The Skill Development Program commenced with a formal welcome addressing all dignitaries, faculty members, and students. Following institutional traditions, the event began with the **Saraswati Pujan and Lamp Lighting Ceremony** to foster a positive and enthusiastic learning atmosphere.

ACTIVITY REPORT

CMF-ACT-F002/V03/W.e.f.: 26-March-2025

The following esteemed dignitaries graced the occasion:

- **Dr. Sachidanad Angadi Sir (Principal)**
- **Mr. Vinod Jarhad Sir**
- **Mr. Gaurav Dhayade Sir**
- **Dr. Vandana Patil Madam**
- **Dr. Gajanan Vaishnav Sir**
- **Dr. Vinod Udawant Sir**

As a token of green appreciation and respect, all guests were formally felicitated with a **Sacred Tulsi Plant**. The Principal addressed the gathering, strongly emphasizing how specialized skill development acts as the ultimate cornerstone for building a sustainable, long-term career.

Expert Guest Session Highlights

1. **Mr. Vinod Jarhad Sir:** * Shared specialized knowledge regarding opportunities in the pharmaceutical distribution sector.
 - Thoroughly explained the practical logistics and supply chain dynamics of medical supplies.
 - Guided students on navigating corporate career progression tracks in pharma fields.
2. **Mr. Gaurav Dhayade Sir:**
 - Provided deep professional insights into microbiology and pathology laboratory practices.
 - Decoded various high-growth career opportunities available within diagnostic laboratories.
 - Strongly emphasized the integration of practical laboratory skills with entrepreneurship.

Institutional Framework & Credit Progress

This program constitutes the foundational block of a **90-Hour Skill Development Initiative** collaboratively driven by the **OBC / ST / SC / Minority Cell**.

- **Hours Completed:** A total of **7 hours** have been successfully executed during this initial session.
- **Remaining Schedule:** The remaining sessions of the planned syllabus will be systematically conducted as per the academic calendar to complete the full 30-hour benchmark program.

Course Curriculum & Core Modules

The specialized Skill India Life Sciences curriculum introduced during the program covers the following structural domains:

1. Core Training Tracks

- **Production – Machine Operator (Non-Sterile Formulation):**

Value of Certification & Career Benefits

Why Choose Skill India Life Sciences Courses?

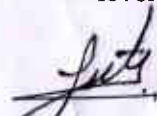

- **Credibility:** Offers government support, unmatched industry trust, and reliable credibility.
- **Competitive Advantage:** Provides students with an immediate edge in a highly saturated, competitive job market, ensuring a quicker entry into the professional workforce.
- **Sector Growth:** Perfectly aligned to feed skilled talent into the rapidly accelerating Indian biotech and life sciences sectors.

Benefits Accorded to Students

- Attainment of immediate **job-ready skills** upon completion.
- Dedicated **placement assistance** and active institutional job support.
- Facilitation of an early, stable start to an industrial career.
- Direct professional mapping to pharma, sales, healthcare, and utility sectors.

Long-Term Career Impact

- Establishes a concrete, rock-solid foundation for future career growth.
- Unlocks seamless opportunities for internal promotions, organizational vertical movement, and domain specialization.
- Accelerates employment placement probabilities within highly reputed national and multinational companies.
- Prepares individuals for eventual ascension into supervisory, managerial, and executive-level roles.

Program Outcomes & Conclusion

Program Outcomes (POs) Attained

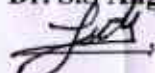

- **Enhanced Awareness:** Substantially increased student awareness regarding niche paths in the Pharma, Biologics, and Medical Devices ecosystems.
- **Practical Competency:** Significantly improved students' conceptual understanding of hands-on, job-oriented industrial skills.
- **Soft Skill Enhancement:** Developed robust professional communication habits and general corporate competencies among participants.
- **Motivation:** Successfully ignited a drive towards proactive career development, advanced specializations, and independent entrepreneurship.

Conclusion

The inaugural block of the Skill Development Program concluded successfully with an official vote of thanks. The session proved immensely beneficial to both B. Pharmacy and M. Pharmacy students. The impending completion of the remaining hours of this comprehensive program will further cement our students' practical knowledge base, transforming them into highly employable, industry-ready professionals who support the overall growth of India's healthcare landscape.

The felicitation of the keynote speaker, Mr. Gaurav Dhayade Sir, was done by Professor Dr. S.S. Angadi Sir.
